ROUTE DESCRIPTION

A circular route around this peaceful lake. Please note that the path is relatively narrow (minimum of 0.9m) along the west side without any passing place.

POINTS OF INTEREST

Neigh Bridge is one of 133 lakes created by gravel extraction in the Cotswold Water Park, Britain's largest water park. It is a great place to see a range of wildlife; during winter it hosts over 20,000 waterfowl of at least 40 different species, some of which you're bound to see on a visit to this site.
