This walk takes you on a circular route which links the towpath with celebrated footpaths in this area. Head north along the Montgomery canal from Arddleen to Four Crosses. Here, join the Offa's Dyke path, heading south through open farmland to join the Severn Way. Rejoin the canal towpath at Pool Quay and pass by Burgedin Locks before entering Arddleen.

Walking Conditions : A fairly level route which follows the canal towpath, roads and open fields. Crossing of step over styles is required. Ground conditions may be wet or muddy. Seasonal risk of flooding along the banks of the River Severn.
